PART II
ITEMS FOR DECISION TO BE DEALT WITH EN BLOC

PART III
ITEMS FOR DISCUSSION AND DECISION

5. **SSCC Bank Account**
   Since the start of Semester Two, SSCC has been receiving the money that is raised from the sale of chocolates at the FNAS reception. The money is held in two accounts at Westpac (UWA branch). It is to be used to ‘enhance the student experience’. How do we propose to distribute the money, to whom, and in what amounts?

*For Discussion*

6. **SSCC Topics of Discussion**
   While we aim to bring as much relevant discussion to SSCC meetings, there are always some things that we missed/didn’t get round to looking at as a committee. Are there any topics that you feel we didn’t look at this year that we should have, things we could have done differently, and more importantly, what should next year’s committee look at?

*For Discussion*

7. **Election of 2010 SSCC Chair**
   In the interests of continuity, I propose that the SSCC chair be selected at the last SSCC meeting of the year. This allows there to be a SSCC contact over the summer holidays should there be anything, as well as having someone to look after the SSCC bank accounts. Nominations do not have to be current SSCC members, but preferably have been involved with SSCC.
